FUND DRIVE STARTING FOR BETHEL LIBRARY

The Bethel Library Association was organized on April 14, 1970, as an independent group of citizens interested in town activities. Originally it was located above what is now the Village Restaurant, but in 1981 Judge Peter's law office, formerly situated at the Charles E. Merrill house on Main Street, was purchased and moved to its present location on Grand Street and the library moved into the large Cape Cod style front was added and the old building became a back room.

Since its inception in 1970, the library has grown to its present size of over 9,000 volumes, an annual circulation of 6,438, and an income of \$1,330 from its invested funds. This money plus a \$1,500 apportionment from the town budget, \$322 from the state, \$322 accrued from fines, and gifts usually amounting to about \$150 yields a total income of about \$3,400 a year.

The current rate of inflation has been felt by everyone. The library is no exception. Many of the essential funds were invested where they paid a minimum rate of interest. While some of these funds are coming up for re-investment in the next couple of years, it will be a case of too little, too late, meeting the increasing demands of the public using the library. It has been necessary to hire more workers, and the resignation of Mary Chadwick necessitated the hiring of a new librarian. There are many more rising costs have been added from fuel bills to grounds maintenance which previously were less than \$4 or \$5 now cost \$8 to \$10. The necessary reference books are practically prohibitive. There is some question about the cost of a new furnace. A glance at the budget shows that the end of the year will leave the Association with a deficit of about \$1,000. This between income and outgo can be filled in a few ways.

1. A necessary \$1,400 was set for a new roof and painting building. It can be done again. 2. Fund raising committee, headed by Rebecca Kendall, Barbara Gibbs and Dorothy Boyce, has plans in progress, ranging from food sales to a booth at the Bethel Day Festival, but it is obvious that much of the work must come in the form of donations from the people the library is built to serve, the citizens of Bethel. Anyone who has any talent, money, or any good idea, or is willing to work, is asked to contact one of the committee members. Please.

NTL ANNOUNCES TWO FULL TUITION SCHOLARSHIPS ARE AVAILABLE

For persons residing in Bethel, NTL Institute today announced its intention of offering two full tuition scholarships for attendance at each future session of the Basic Human Interaction Laboratory held in Bethel. Dr. Vladimir Dupre, President of NTL, stated that these scholarship awards would be offered, on a first-come, first-served basis, to interested persons who wish to attend such a program for the first time and who meet NTL's basic requirements for participation. A person "residing in Bethel" is defined as one whose normal address is Zip Code 04217.

Remaining sessions scheduled for 1972 are the following: June 26-July 7; July 7-21; July 21-Aug. 4; Aug. 7-18; Aug. 14-25.

Applications for attendance at these Basic Labs will be received in the NTL Office in Bingham Gym, Gould Academy. It was noted that such applications would be considered "standby", with participation to be confirmed a few days before the actual days involved and dependent upon space being available at that time. Only the normal registration fee of \$33 would be charged to cover administrative costs.

EMERGENCY AMBULANCE AND RESCUE SERVICE MEETS

Bethel Emergency Ambulance and Rescue Service met at the Casco Bank Community Room on June 19.

At a short business meeting it was voted to have a booth at Molly's Day. After the meeting training was held in the Bank's parking lot. Members were shown the location of equipment in the new ambulance and many of the members drove the new unit around town.

At the next meeting the orthopedic splint will be demonstrated and bandaging will be practiced.

One of the purposes of this organization is to provide volunteer ambulance drivers and attendants for the Greenleaf Ambulance Service. It is hoped that more of the ambulance attendants will take a greater interest in this and attend every meeting when more training will be given. An attendant must receive a certain amount of training and keep up to date on it or they cannot be licensed.

Several will need more training before the year is out in order for their license to be renewed. Any loss of help can't be afforded, so all attendants are asked to make every effort to attend all meetings and get their training so that no volunteers will be lost.

Mrs. Ola Tift is a patient at Stephens Memorial Hospital.

MAINE VOTERS SELECT CANDIDATES — DECIDE REFERENDUM ISSUES MONDAY

Maine voters went to the polls Monday to cast ballots in the biennial State Primary Election.

Registered Republicans selected 24-year Senate veteran Margaret Chase Smith of Skowhegan to be their nominee in the November election as she defeated political neophyte Robert A. G. Monks of Cape Elizabeth by an unofficial 76,716 to 33,330 margin, based on incomplete returns.

She will meet William D. Hathaway of Auburn, presently serving as Second District Congressman, who defeated Jack Louis Smith of Portland by a substantial 69,541 to 6,214 landslide.

William Cohen of Bangor defeated Abbott O. Greene of Columbia Falls, 23,650 to 19,673 for the Republican nomination in the Second Congressional District. On the Democratic side, Elmer Violette of Van Buren, received 23,297 votes to swamp Lewis G. Maxwell of Wilton, who garnered 6,673 votes.

Maine voters decided to eliminate the "big box" in general elections. The practice which permitted straight ticket voting by making a mark at the top of the ballot was wiped out by a 119,131 to 63,360 tally.

Three of the four bond issues were approved in Monday's referendum. Question No. 3, to approve the issuing of bonds for a second bridge between Waterville and Winslow, was soundly rejected 109,293 to 61,261.

A bond issue for construction at the state's vocational technical institute was approved by voters, 101,519 to 69,731.

Also approved by a wide margin was a bond issue for enlarging and improving of existing facilities at state hospitals and institutions to better accommodate persons with mental, emotional, and social disorders. That ballot question passed 132,243 to 40,543.

The only close referendum question was a bond issue for improvements and expansion of state parks. It was approved in unofficial returns by a narrow margin of 87,528 to 63,741.

In the state wide issues, County voters appeared to be generally content with the rest of the state.

In the only county-wide contest on the Republican ticket Richard W. Andrews of Fryeburg received the nomination for sheriff with 1,669 votes, followed by John T. Howard of Rumford 1,151, and Francis M. Wymann of Norway, 1,123 votes.

In the Democratic contest for sheriff, Alton L. Howe of Waterville received 2,243 votes, with Clayton Gay

FORMER TELSTAR PRINCIPAL ACCEPTS LISBON POST

It was announced last week that Keith W. Cunningham of Lewiston, had been appointed as new principal of Lisbon High School.

Presently an official with the State Department of Education, Mr. Cunningham will replace Earl W. Higgins, who is retiring after 20 years of service in the position. Mr. Cunningham will assume his new duties on July 31.

For several years Mr. Cunningham has been principal of Oxford Hills High School, leaving to become president of Bliss College in Lewiston. He was principal of Telstar Regional High School from the fall of 1969 until February of 1971, when he assumed the State position.

He holds a bachelor degree from Bates College and a master's from Columbia University.

of South Paris getting 902 votes, and Louis Fontaine of Rumford, 825.

In the battle for the Democratic nomination for the District Five State Senate seat, David Aldrich of Norway defeated Richard E. McCollister of Canton, 1679 to 376.

In other Democratic contests, Richard E. Pratt of Norway, defeated Lawrence H. Dudson of Stoneham, 2,427 to 1,273, for the Register of Probate post. Milton Allen, Norway, defeated Paul J. Mercer, Rumford, 2,259 to 1,433, in the Clerk of Courts contest, and Armand J. Fortier won over Eugene Babin both of Rumford, for the District 16 State Senate nomination, 937 to 856.

In Bethel, 577 voters went to the polls on Monday. Of the total 31 cast ballots on the referendum questions only six were not enrolled in a political party so could not vote in the primary election for selection of party candidates. Results of local voting in contested races were:

Republican:
U. S. Senate Monks 72, Smith 220, Congress—Cohen 180, Greene 92; Sheriff Andrews 111, Howard 63, Wymann 60.

Democratic:
U. S. Senate Hathaway 213, Smith 17; Congress Maxwell 77, Violette 119; State Senate (District 5)—Aldrich 165, McCollister 29; Clerk of Courts Allen 140, Mercer 52; Register of Probate—Dudson 70, Pratt 121.

Referendum voting in Bethel: "Big Box" elimination, yes 113, no 194; Construction at vocational schools, etc., yes 258, no 214; Improving mental and correctional institutions, etc., yes 325, no 145; Toll bridge, Waterville Winslow, yes 177, no 317; State Parks, etc., yes 254, no 251.

TELSTAR NINE POSTS
BEST SEASON EVER

Regional High School's baseball team recently completed their best season ever with a final record of 19-5 and third place in the Mountain Valley Conference. Led by a nucleus of fine freshmen and sophomore team members, the Rebels led the WVC for much of the season. The Rebels started their season by winning their first five games, including an 8-3 victory over Fryeburg Academy. The team's win was the first ever in the years of diamond competition against the Raiders. The win streak ended by a loss to Monmouth, but the Rebels put together another three game streak only to be beaten by Mexico 4-3 in a typical late season contest. The season ended with Telstar, Mexico, and Mesquite involved in a three-way tie for first place. Telstar lost a 5-2 gamebreaker to eventual champion Mesquite, which just recently won the State Class B semi-final.

Telstar's victories included double wins over Lisbon and Windrop, and single victories over Jay, Livermore, and Dale. Leavitt, Messalonskee and Fryeburg.

Some individual highlights included four straight wins by pitcher Blake, and three in a row by Murphy. Dana Melville led the Rebels with a very outstanding .43 batting average including 43 doubles, two triples and 13 home runs.

RBI's. Soph Wayne Cummings, 20 as a pitcher, had a .440 batting average with a team leading 15 RBI's. Wayne's average was a .349 point increase over last year's .091 average. Other outstanding averages were from Doug Brooks 352; soph Peter Blake 373, soph Randy Olson 333, and junior Ricky Wing at 330. Overall the Rebels had a team batting average of .325 and scored 105 runs in a most productive season.

The pitching staff, comprised totally of sophomores was led by Blake's 5-2 record followed closely by Murphy's 3-1, Cummings' 2-0 and hard luck starter-reliever Marvin Cole's 0-2. The Rebels gave up a total of 52 runs and had a team earned run average of 2.49.

Next year's outlook is very promising with 11 returning lettermen and a fine crop of incoming freshmen to help bolster chances for an MVC playoff berth.

This year's co-captains Ron Deegan and Dana Melville will be greatly missed. Both were a great deal of help and inspirational leaders on a very young team. Ronnie and Dana lettered four consecutive years in baseball and were an asset to the team at any position they were asked to play. From diving into a mud puddle or crawling over a snowbank to hearing the Melville "clang" as the ball bounded away; here's a good luck toast to two outstanding deserving senior athletes.

A look at this year's statistics:

COMMUNITY CLUB OF
EAST ANDOVER MET JUNE 6

On June 6 the members of the East Andover Community Club met at the Meisner Camp at Howard's Pond in Hanover for a potluck supper and meeting. Following the supper a meeting was held. This will be the last meeting until Sept. 12.

The president, Eldora Jones, read a prayer to open the meeting. The secretary, Violet Swain, read the May minutes. A thank you was read from the Calvary Congregational Church treasurer for the \$50 that the club had donated toward their Building Fund. A thank you was also read from Margaret Tobetts for the \$10 sent to Dollars for Scholars.

A letter was read from the State Highway Department in regard to a Route Number from Rumford Center through East Andover to Route 120. Gideon G. Picher, Planning Engineer stated in his letter that it was not feasible to assign a route number to this facility. The reasons he gave were "existing roadway width, curvature, sight distance restriction and the fact there is relatively light demand or need for a route number since Rt. 5 appears to adequately serve those who are not familiar with the area. This route is on the Official Highway Map." This request has been in effect since Telstar was built to assist tourists coming into town from Rumford Center.

The secretary will present the annual Community Club award of \$1 to a deserving senior at the June 17 banquet.

Voted to hold a food sale on Aug. 5 on the Common if weather permits. This will take the place of the annual sale usually held in the fall. Proceeds will be used for the two Sunday schools and set aside for 1073 Dollars for scholars. This amount to \$50 is hoped that at least this amount will be raised.

Meetings through the summer will be omitted and on Sept. 12 the members will hold their annual banquet at Jordan's in Locke Mills.

FARMERS HOME ADM.
REGULATIONS CONCERNING
FAMILY INCOME CHANGED

The Farmers Home Administration regulations concerning family income have been changed so as to help more families with housing loans, according to Elwyn R. Morrow, FHA County Supervisor for the South Paris office.

The present adjusted moderate income for families in Oxford County of \$9,000 has been increased to certain families situations. These cases are where the wife's income is not the primary income of the family so only one half of her income would be considered. An example of a qualifying case according to County Supervisor Morrow would be a family where the husband makes \$6,000 per year and the wife \$5,000. Their adjusted income would be \$8,500, as you would consider \$2,500 of the wife's income. Anyone interested in more information concerning the program, may call at the Farmers Home Administration office any Monday at South Paris, states Morrow.

Several members set aside their birthday money. This amount was enough to make \$19 will be given to the Hope School later this year. It was noted that several of the Senior Citizens in the community will be observing birthdays this summer: Mary Gammon July 19, Margaret Smith, July 12, Hilda Combs, July 19, and Lillian Smith, Aug. 6.

Meetings through the summer will be omitted and on Sept. 12 the members will hold their annual banquet at Jordan's in Locke Mills.

JUNIOR HIGH VENTURES TO PORTLAND FOR CRUISE ON CASCO BAY

On Monday, June 12, the 7th and 8th grades of Telstar Regional High School journeyed to Portland to take a cruise on Casco Bay. The trip, sponsored by the Junior High Student Council was a great success enjoyed by all.

Boarding the "Island Adventure" at 10:00 the cruise began with everyone jumping out of their seats from the startling sound of the horn as it blasted our departure from port. Traveling at 10 knots, amidst the sounds of Sly and the Family Stone, some of the highlights of the trip included seeing: famous Portland Headlight built in 1780; White Head off Cushing Island; passing by Peaks, Little and Great Diamond, Long, Chebeague, Cliff and Hope Islands; going through Huesey Sound which was a W. W. II refueling depot; seeing, Ft. Gorges, built during the Civil War; seeing two foreign tankers each unloading 500,000 barrels of crude oil; and being followed by herds of sea gulls.

Returning to Portland at 12:30 we received quite a jolt as the boat "touched the wharf". The boat had quite a port list as everyone hurried to get onto the busses to return home. No one got seasick as we passed through rough open waters and everyone wanted to stay for more.

During the cruise, off heard comments were, "I hope the boat breaks down so we won't have to go home," or "I've had so much fun" to "is this all salt water?" were very common.

A special thanks to bus drivers Bob Hutchins, Tom Learned, Burt Hathaway and Scott Howe. Also to chaperones Mrs. Coriveau, Mrs. York, Mrs. Coolidge, Mrs. MacKillop, Miss Fox, Mr. Roy, Mr. Emery, Mr. and Mrs. Ted Davis, Mr. and Mrs. Dan Hanson, and Mr. and Mrs. Peter Brown, junior high student council advisor.
